Young People's Reception, Thursday, April 15, 7.30 p. m., Campus Building—White Masque Dramatic Club.

Let's get acquainted, for it is quite probable we will like each other. That we may do this, seven social gatherings have been provided, that through this means we may become better acquainted. The real spirit of this work promotes sociability and good fellowship; and while we are together in this annual conference session, we hope that the steady routine will be pleasantly interrupted by these occasional social features.

On Friday, April 2, the First Presidency, Twelve, and Seventy will meet at the Dining Hall at 5.30 p. m., and they will spend a pleasant two hours not only partaking of the food but also of the good fellowship and fraternal feeling that should exist among men of the church.

Following this, on April 5 the local Religio people will give a reception to Conference visitors, hoping to meet particularly the workers in the Department of Recreation and Expression who may be attending the Conference. This reception will be at 7.30, at the Campus Building, is open to all, and a cordial welcome is extended.

On Wednesday, April 7, at the Campus Building, the Laurel Club is planning a "Konference Karnival." The details of this party are given on the following page.

The Department of Women will give a reception to all visiting women at the Campus Building on Saturday evening, April 10.

On April 10, at 8.30, immediately following the special program for the mass Quorum of Elders, a banquet will be served to the elders in the Dining Hall. The First Presidency will preside.

On Tuesday, April 13, at the Campus Building, the Independence Music Club will hold its regular monthly club meeting. On account of the limited seating capacity of the rooms in which this meeting is to be held, invitations have been issued.

On Thursday, April 15, the White Masque Dramatic Club will hold their reception for visiting young people, all of whom are cordially invited to be their guests.

Wednesday, April 7

At the Campus Building

Beginning at Four in the Afternoon

Let's get acquainted

Again this year the Laurel Club cordially invites you to their Konference Karnival. This means Conference folks and Independence people as well. We want to know you better, so let's get acquainted. If you have come a long way and even though you are a bit tired, come to our party and join us in an evening of clean, wholesome fun.

When to come

In the afternoon, just as soon as the business session is over, our party begins. There will be keen eats, so you need not go home for the evening meal. The Campus is conveniently located to all three churches where conference programs are being given. Many can come after the evening services, because the party will continue the entire evening, until eleven o'clock.

Continuous program going on

There will be various kinds of eats, some interesting games, and several stunts, which will be going on all the time. At five thirty in the afternoon, in the assembly room, the kindergarten class will put on a program. At seven thirty p. m., and continuing for the balance of the evening, a group of the young people are putting on a stunt program. You are sure to enjoy this.

Object of the party

This is it: The Laurel Club has pledged the general church officers that they will furnish and install a new complete equipment for the kitchen and dining room in the new Auditorium. Inasmuch as this is a general church undertaking, Conference visitors and delegates will doubtless be glad to share their nickels and dimes for so good a purpose.

No admittance charge will be made

You can come, enjoy meeting the people, have a good time, and it will cost you nothing; but if you want to help there are programs prepared for which only five and ten cents will be charged for any item of refreshment, any game, or program. For every nickel and dime you

spend at the party, you are guaranteed more than your money's worth; but more than that, the nickels and dimes you spend will go to swell the fund which the Laurel Club is raising for their special object this year.

**When you
come again**

Two years from now, when you come to Conference, you will then be privileged to participate in the use of this equipment which your nickels and dimes this year have helped to buy. We are planning to take care of two thousand people at our party, and we want you to come early, get acquainted with us, with each other, and enjoy the fun. You are assured of an enjoyable evening.

Sincerely yours,
THE LAUREL CLUB.

Recreation

Daily, 4.00 to 6.00 p. m. at the Campus.

Volley Ball

Playground Ball

Croquet

Quoits, etc.

Individual and inter-quorum contests.

D. R. Carmichael and assistants in charge.

See also, "Social Gatherings."

Many Conference visitors will enjoy the outdoor games provided on every afternoon except Sunday, from 4.00 p. m. to 6.00 p. m. The entire Campus, with its outdoor games and recreational facilities, is placed at the disposal of Conference visitors.

Some one competent to direct the recreational activities will be in charge during these two hours each day, and you will find this a wholesome relaxation from the heavy routine of Conference work. Folks that can play together can usually work together. It is hoped that all will take advantage of these recreational features and enjoy the games, which have been provided.

Music

As in former years, congregational singing will be a feature of the Conference work. Think a minute! Is there anything that adds to the deep spiritual feeling of General Conference work as does the singing of the songs of Zion?

The Conference Committee, assisted by P. N. Craig, Musical Director in Zion, has given much thought to this part of the Conference work, and the following song leaders from a distance are expected at the conference and will be asked to help: H. A. Koehler, C. J. Smith, J. R. Grice, M. W. Liston, W. D. Tordoff, and H. A. Doty.

The regular choirs at the Stone Church, Walnut Park, and Liberty Street Churches, augmented by visiting musicians, will contribute to the preaching services with their tribute of song.

The orchestras at the three churches where Conference services will be held will also participate.

The Men's Chorus of fifty, also the K L D S Ladies' Quartet, together with the Radio Quartet of Men, will give musical numbers at times and places to be announced later.

In order that all may have an opportunity to hear the "Elijah," it is being given on two nights: Sunday, April 11, and Monday night, April 12. P. N. Craig will conduct the Oratorio both nights. The chorus is composed of one hundred and forty voices, and has practiced for several weeks to give this musical masterpiece. This is the second rendition of the "Elijah" given in Independence, the first having been given in 1920 at General Conference.

The soloists for the "Elijah" are:

James Houghton, Bass.
Corrine Haines French, Soprano.
Mrs. I. A. Smith, Soprano.
Miss Thelma Vincent, Soprano.
Lulu Lentell Tyrrell, Contralto.
Mrs. C. E. Wight, Contralto.
Miss Margaret Gard, Contralto.
Mr. George Anway, Tenor.

Visiting musicians are welcome and should make themselves known, so that their musical ability may be used to help in the Conference programs.
