

PRESIDING BISHOP'S REPORT

Balance Sheet and Statement of Income and Expenditures of the Reorganized Church of Jesus Christ of Latter Day Saints from July 1, 1922, to June 30, 1923

NOTE: Referring to the statement of family allowances and elders' expense as published in this issue, the following resolution was adopted by General Conference of 1922: "Excepting emergency expenditures, which may be approved by the joint council of Presidency, Twelve, and Presiding Bishopric, in no case shall the amount allowed to any general church officer's or conference appointee's family exceed \$1,800, and the amount for personal and traveling expenses \$1,800." The above resolution became effective November 1, 1922—after four months of the fiscal year ending June 30, 1923, had passed, therefore any items of family allowance or elder's expense, in excess of \$1,800, are accounted for by the fact that during the first four months of the year, from July 1 to November 1, 1922, the family allowance or elders' expense exceeded \$600.
