## **The Church History**

Herald House is going to try to print more sets of the Church History. Our first printing did not take care of everyone who wanted these important books, so Herald House will print as many more as we can from our old printing plates. The old plates are disintegrating, so order right away to be sure you have your set. Books will be ready in March. Treat your family, your friends, and even yourself to this wonderful gift.

The Set (4 volumes) \$20

A special gift card free mailed early in December marked "Do not open till Christmas."
