Letter from Bro. Luff. PLANO, Ill., May 5th, 1881. Editor Herald:—In setting the type for the Independence, Mo., Agent's report, to-day, I notice that Bro. Small is credited with having paid the Agent \$10, and the Agent with having paid me \$5. Both of these are mistakes. On the date recorded, Bro. Small wished to make my family a present of \$5, and held in his hand a \$10 bill, which I could not change. He then turned to the Bishop's Agent, who was present, and asked him to change it, telling him to give me \$5, and credit him with the other \$5 (not \$10), on his books. In reporting to the District Conference, by whose appointment I was then laboring, I credited Bro. Small with \$5. My object in making this statement is, that the Agent and myself may appear properly before the Church, for not being under a General Conference appointment, I was not entitled to assistance from the Bishop, or his agents, nor did I receive any. Bro. Small should have been credited with but \$5, and my name should not have appeared at all, as the amount paid me there was a private donation towards carrying out an arrangement made that day between the District Conference and myself. Yours, as ever, JOSEPH LUFF.
