July 4<sup>th</sup> 1934 I was alone at home  
 the cattle came home for water  
 and had none. I jumped for  
 the four hours and was about  
 done out. So I went to the house  
 knee down and asked the lord to  
 send wind to pump water for the stock  
 and send rain for the parched earth.

DATE July 4<sup>th</sup> 1934 Wind jumped enough water for the  
 stock that afternoon and a heavy rain

Aug 22<sup>th</sup> I had a dream This morning  
 I had been working with  
 the grey team. Then a lady  
 in modest apparel came to me  
 and laid her face <sup>on cheek</sup> on mine  
 and I had her in my arms  
 Then Mrs. Hardin came also and  
 I fasted her several times both  
 Hardins were of the same age  
 It cheered me all day

Jan 8 This morning I dreamed that I was moving to my home harnessed on grey team, had 3 pieces of furniture on the wagon, she came with the adopted boy. She was afraid for him to drive the car and almost afraid for him to drive the team on account of the big belly.

March 9 I dreamed that I was down below Boylie Campbells barn and I looked up north on his field and I saw a large wall of the most beautiful flowers. They were grand. The wall was nearly 30 ft high with a solid wall of flowers. It was grand beyond description. I showed them to Corrie
